

**CONTACT US FOR THE NEXT STEP
IN YOUR CARE SUPPORT**

Who We Are

TG Consultants is one of the region's leading providers of care, with an experienced team of supportive employees who deliver world class, specialty care to a huge variety of patients

What We Do

we are specialised in
live- in care
we are **compliant** with
CQC registration

WE ARE THE BEST

Many of our carers live in the same neighbourhood or region in which they serve – providing the top quality care to individuals in their community.

VISION

We want them to fulfil their personal and professional goals, while being supported with both benefits and competitive salaries, opportunities for career and professional growth, and a healthy work/life balance.
